CAN'T BE BEAT.

On Sunday next the Plant System will run two special trains to Tampa, and tickets will be sold at one dollar for the round trip.

This well managed road will not be left behind when it comes to making passenger or freight rates, and is always ready to give the people a low rate when it is possible to do so.

In this connection, let us say that while much has been and is being said about exorbitant freight rates, we have found the roads into Ocala, and especially the Plant System, make their charges as reasonable as we ought to expect.

If the fruit and vegetable growers will be more particular about the commission merchants to whom they ship, and see to it that they get fair and honest returns from the same, in our opinion there will not be so much talk about the freight rates eating up the prices received for their stuff.

Mr. Plant has been and is still doing more to advertise and bring settlers into our borders than any man whom we can at present call to mind, and we have it from good authority that the officials of that road will always give special freight rates when any quantity of vegetables are shipped if it is within their power.

Let us see that the commission merchants get all for our produce that it should bring, and give us fair returns, and we will soon see that vegetable growing is a paying business in the sunny south, and also that we are not robbed by the railroads.

THAT OPEN LETTER.

Senator Call has again addressed an open letter to the people of Florida in which he announces himself a candidate for re-election to the United States senate. In the address, which is in his usual abusive language, he tries to show how corrupt the people of this state have become. He tells all of the bad things he can think of, but not one word of praise for our fair state can we find in his letter. Nothing but abuse. Mr. Call needs a vacation for a few years from public office, and his friends (?) in this state will see to it that he gets it. Such a friend (?) to the people as Call is should not be allowed to drag his life away in office.—Citrus County Chronicle.

CALL'S BOOMERANG.

Special to the Citizen.

Gainesville, Aug. 26.—Senator Call's attack upon the editor of the Baptist Witness, which was published recently in the Ocala Banner, has been the cause of much comment in this city.

When the senator arrives here in the fall to make his campaign speech he will find that, far from making friends for him, the letter has proved very detrimental to his interests.

The editor of the Baptist Witness has as many friends in this county as Senator Call, and they do not approve the bitter attack upon a gentleman whom they esteem.
